- Pressure & Temperature Test Plugs & Probes
- Water & Natural Gas Applications
- Expansion Joints

www.srcoils.com

- Hot Water, Chilled Water & Steam Coils
- Custom Replacement Coils Made Match Existing Coil
- Compressor Multi Stage Coolers, Gas Processing Coolers
- ASME & CRN Custom Industrial Coils

- Thermocouples & RTD's
- High Temperature, High Pressure Temp Sensors
- Custom Thermowells

Heat Transfer Products:

- 316SS & Titanium Pool & Spa Heat Exchangers
- U-Tube HVAC Heat Exchangers
- Hydronic Heating Heat Exchangers
- Brazed Plate (Copper & Nickel Brazing)
- Double Wall Heat Exchangers
- Plate & Frame Heat Exchangers
- Snow Melt Heat Exchangers
- Steam, Hot Water & Glycol Heating Coils
- Refrigeration Coils
- Oil Coolers
- High Pressure / High Temperature Exchangers
- Custom Manufactured to TEMA B, C & R
- Energy Transfer Stations
- Plug Box & Slab Header Coils, API Coolers
- Aluminum Fin Tubes
- Flanged Electrical Process Heater & Skid Packages
- Control Panels, SCR's & Control Panel Heaters
- Intercoolers & Aftercoolers
- Titanium & Special Alloy Heat Exchangers
- Replacement Tube Bundles
- Heat Recovery Systems

Piping Specialties:

- Liquid Drainers
- Temperature Regulators & PRV's
- Sight Glass & Gauge Glass
- Expansion Joints & Flexible Connectors
- 3-Way Mixing & Diverting Valves
- Backpressure Valves
- Self Operated Control Valves
- Pneumatic Control Valves
- Tank Heater Valves

Instrumentation:

- Custom RTD's & Thermocouples
- Pressure Gauges & Accessories
- Diaphragm Seals
- = Sanitary Applications
- Digital Industrial Thermometers
- Bimetal & Industrial Thermometers
- Remote Mount Thermometers
- Thermowells & Steam Siphons
- P/T Plugs for Natural Gas or Water
